

Immaculate Conception School Online Learning Plan

Every student gets a device!
Devices can be checked out
for at home learning.

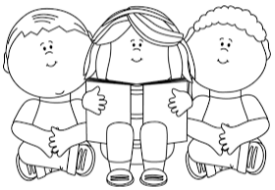

All assignments, lessons,
and interaction will be
organized in the online
learning management system
SeeSaw.

Daily whole class, live zoom
video meetings that will
include reading, math and
guidance lessons.

One on one live zoom video
lessons with the classroom
teacher and student 2 times
per week.

Small group guided math
and reading live video
lessons 3 times per week.

Drop In live zoom video
office hours will be available
for students and parents 3
times per week.

Music and P.E. lessons will
be available in SeeSaw.

Weekly religion live zoom
video lessons will be held as
a whole class.

The single sign on system
Clever will be used. Once
students are logged into
clever, they will immediately
be logged into all resources
they will use.

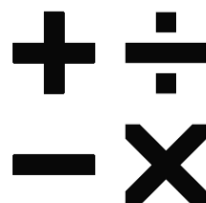

Weekly science or social
studies live zoom video
lessons will be held as a
whole class, along with pre-
recorded teacher lesson.

What can IC families do this summer to prepare for the school year?

Encourage your child to read
at least 20 minutes everyday!

Encourage your child to
practice basic math facts
daily!
